

Ms. Gall. Quart 139

Binding:

Original binding of brown leather (cf. mss. Gall. Fol. 137, 138 et 140). The coat of covers is damaged and stained.

History:

The manuscript was written down in the last thirty years of the XVII century. The hand-writing and the ornaments of the binding (cf. Macchi, *Dizionario...*, p. 142, third binding on the left) confirm that the copy was created in the 17th century at the latest. The place of origin was probably France. The volume belongs to the collection of mss. Gall. Quart. 137-140. On fol. 9^r there is the stamp of the Königliche Preussische Bibliothek zu Erfurt with the inscription: *KÖNIGL. PR. BIBLIOTHEK ZU ERFURT*. The copy was entered to the accession register of the Königlichen Bibliothek in Berlin under the accession No. 1909. 195 on the 15th of June 1909, together with the note providing the information about its origin: the manuscript of the library in Erfurt acquired by the Königlichen Bibliothek zu Berlin under the agreement of the 2nd of September 1908 (see Acta III D 5 Rel 8).
