ff. 1r^o-2v^o SIMONE FIDATI DA CASCIA - ORDINE DELLA VITA CRISTIANA, fragment. Two cards, badly damaged, come from a manuscript containing the text *Ordine della Vita Cristiana* by Simone Fidati da Cascia. Published in *Mistici del Duecento e del Trecento*, ed. Arrigo Levasti, Milano-Roma, Rizzoli, 1935, pp. 607-80. Two cards (nonconsecutive) corresponds to fragments from part II, chapters 1 and 2. The present order of the cards is erroneous, since in the manuscript card 2 was surely before card 1. The manuscript version is significantly different from the published text.
